

COVID-19 Diagnostic Products

labcon®
The Earth Friendly® Company

- **Sterile products are validated ISO 11137 for research, clinical and diagnostic use**

Certified sterile with a 10⁻⁶ sterility assurance level (SAL).

- **Tips and tubes are certified free of:**

RNase/DNase, ATP, Endotoxin/Pyrogens (<0.05EU/mL), Cytotoxic effects, and trace heavy metals.

- **Aerosol filter tips are additionally:**

Certified free of Protease and human DNA. Suitable for DNA manipulation, PCR, and radionuclides.

- **Quality certification and ACT scores**

Certificates outlining functional and biological testing are available for each lot number. Specific products include an ACT environmental impact score.

- **Leak-resistant flat caps with sealing rings**

Available exclusively with SuperClear® 15 mL tubes, these leak-resistant flat caps feature an elastomeric sealing ring molded securely in the cap. This ring forms a liquid-tight seal and protects from leakage of dangerous chemicals.

- **Autoclavable (122°C)**

Tips, tubes, plates, and racks are autoclavable.

ZAP™Slik Low Retention Aerosol Filter Pipet Tips

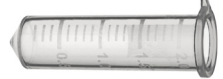

LABCON #	ACT	DESCRIPTION	STERILE	PACKAGING	PACK	CASE
1171-965-008-9		10 µL graduated UltraFine™ point	✓	96 Rack	1,152	1,1520
1175-965-008-9		20 µL with BevelPoint™	✓	96 Rack	960	9,600
1179-965-008-9		200 µL with UltraFine™ point	✓	96 Rack	960	9,600
1177-965-008-9		1000 µL with FlexTop™ and UltraFine™ point	✓	96 Rack	576	4,608

3034 (15,000 RCF)

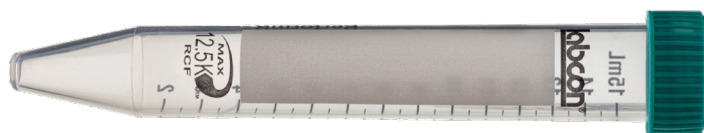

3016 (20,000 RCF)

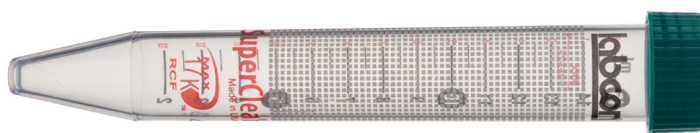

3046 (20,000 RCF)

SuperSpin™ and SuperClear® Microcentrifuge Tubes

LABCON #	DESCRIPTION	STERILE	PACKAGING	PACK	CASE
3016-870-000-9	1.5 mL SuperSpin™		Bags	500	5,000
3034-335-000-9	1.7 mL SuperClear®	✓	Bags	500	5,000
3046-870-000-9	2.0 mL SuperClear®				

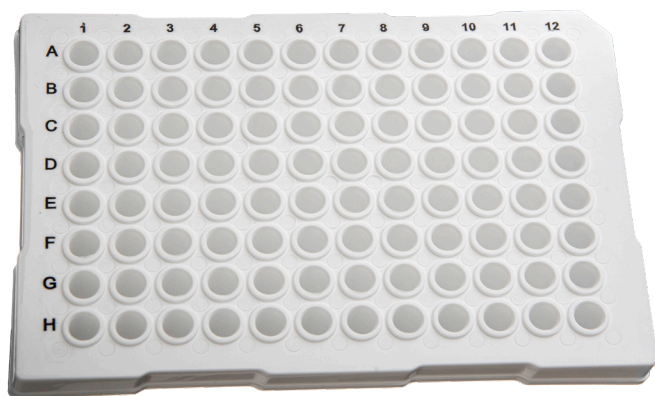

PerformR® (12,500 RCF)

SuperClear® (17,000 RCF)

15 mL PerformR® and SuperClear® Centrifuge Tubes

LABCON #	ACT	DESCRIPTION	STERILE	PACKAGING	PACK	CASE
3136-345-008-9		15 mL PerformR®, standard flat cap	✓	Bag	50	500
3131-345-008-9		15 mL SuperClear®, sealing ring in cap	✓	Bag	50	500

PurePlus™ PCR disposables for Real Time PCR

LABCON #	DESCRIPTION	PACK	CASE
3963-520-000-9	0.2 mL 96-well qPCR half-skirt plate (for ABI thermal cycler)	10	100
